Prophet Gear REACH Statement

Under the definition of the REACH regulations EC1907/2006, Prophet Gear is a producer of “articles”. REACH requires article suppliers to inform recipients if an article contains a Substance of Very High Concern (SVHC) in excess of 0.1% by weight. The EU announced on June 27th, 2018 an updated list of the candidate 191 SVHC chemicals. The list can be found at:

http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

In addition to changes made in Annex XVII fall within this list of SVHC: Per COMMISSION REGULATION (EU) No 276/2010 of 31 March 2010. Based on the material content certifications provided by Prophet Gear’s suppliers, none of these substances are present in the materials we use in our products, including packing and shipping materials. Therefore, Prophet Gear products do not contain any of these SVHC in excess of 0.1% by weight. Prophet Gear will continue to comply with REACH requirements and notify customers of any change in article content.
